PHICC Release No.09-014

Department of Public Health and Social Services
Influenza A H1N1 Public Education Campaign

The Department of Public Health and Social Services (DPHSS) continues on-going efforts of the Emergency Communication and Health Outreach (ECHO) team. ECHO is a public education campaign to inform Guam residents about the Influenza A H1N1 virus.

ECHO is an integral part of the Guam Pandemic Influenza Plan in providing educational workshops and resources that enable the public to play an active role in achieving, protecting and sustaining health and wellness. To date, ECHO has provided educational outreaches and awareness to the community, the Society of Human Resource Management (SHRM), Guam Chapter, Guam Housing and Urban Renewal Authority (GHURA), Guam Hotel and Restaurant Association (GHRA) and the Guam Community College (GCC).

For more information about ECHO, please contact ECHO at 735-7259. For information about the Influenza A H1N1 virus please visit the Centers for Disease Control and Prevention website at www.cdc.gov, the Department of Public Health and Social Services website at www.dphss.guam.gov or Guam Homeland Security/Office of Civil Defense website at www.guamhs.org.
