PHICC Release No. 09-039

DPHSS OFFICIALS CONFIRM FIVE ADDITIONAL H1N1 CASES
10 Confirm Cases; 0 Deaths

The Department of Public Health and Social Services (DPHSS) officials have received laboratory confirmation results of 5 additional cases bringing the total to 10 cases and 0 deaths.

Of the five individuals, three are linked to travel while the other two have no travel history or exposure to any individuals who have traveled or any links to any confirmed cases.

All five individuals have fully recovered at home with no household contacts experiencing flu-like symptoms. DPHSS officials reported that all 10 cases recovered without complications and required no hospitalization.

DPHSS continue to collaborate on surveillance activities with key partners to ensure that ill individuals from affected areas are quickly identified and assessed by DPHSS surveillance team.
