PRESS RELEASE

NO.: 2011-95

Processing Center Section and Cashier to Close at 4:00 P.M.

The Director of Public Health and Social Services wishes to advise the public that the Processing Center Section of the Division of Environmental Health, which processes Health Certificate, Controlled Substances Registration, and Sanitary Permit applications will be closing at 4:00 P.M. daily, until further notice. This is made necessary because all monetary transactions performed by the Department's cashier at this time are done so manually until the Point of Sale service contract that automates such process can be renewed.

The Processing Center Section will accept its last clients at 4:00 P.M. for the processing of applications; however, the office will remain open until 5:00 P.M. to entertain all other functions of the division. We apologize for the inconvenience.

Should you have any questions, please contact the Processing Center Section of the Division of Environmental Health of this Department at 735-7221. Dangko'lo na Si Yu'os Ma'ase.
