**PRESS RELEASE 2015- 020**

**Kraft Foods Group**

The Department of Public Health and Social Services, in coordination with the U.S. Food & Drug Administration, would like to inform the public of a voluntary recall involving Kraft Macaroni & Cheese boxed dinners due to possible contamination of metal pieces.

The recalled item may be contaminated with unwanted objects, such as metal pieces, that had become mixed in with the food. Some of these objects may cause injuries or may also carry potentially harmful pathogens.

To date, the Division of Environmental Health has determined that the implicated products were sold at Island Fresh. All affected products have been removed from retail sale.

The following products are being recalled:
