### **The Big Latch On 2016 Breastfeeding Promotion**

The Breastfeeding Committee of the Guam Non-Communicable Disease (NCD) Consortium, in collaboration with the Guam Department of Public Health and Social Services (DPHSS) and Sagan Dinana, will observe the **Big Latch On 2016** on **Friday, August 5, 2016 starting 10:30am** at the **Neni and Me PURE Studio** located in Tamuning.

The purpose of this event is to promote breastfeeding. During the event, women around the world gather together to breastfeed and offer peer support to each other. Breastfeeding advocates and volunteers who host this event create lasting support networks for the community.

We are inviting friends, family and the community to join us as we celebrate this worldwide event to promote and support breastfeeding. We are requesting interested participants to please arrive 30 minutes before the event to register and be in place for the count.
