OPERATIONS NOTICE FOR THE DPHSS MANGILAO FACILITY

The Department of Public Health and Social Services would like to inform the public that effectively immediately, and until further notice, the Mangilao facility will cease operations upon island power failure. Normal operations will resume when island power to the Mangilao facility is restored.

The DPHSS Mangilao facility's back-up power generator has encountered mechanical issues and has become inoperable until repairs are complete.

We apologize for any inconvenience and delay this may cause to those effected. For information and inquiries, please call the department at 735-7102.
