FARMERS' MARKET HANDBOOK

I. OVERVIEW

What is the WIC Farmers' Market Nutrition Program?

The Special Supplemental Nutrition Program for Women, Infant and Children (WIC) Program is a federally funded program that provides nutrition counseling and supplemental foods to low income, pregnant women, breastfeeding women, postpartum women, infants, and children from 1 year up to 5 years old. The WIC Farmers' Market Nutrition Program (FMNP) provides eligible WIC participants coupons to purchase fresh fruits and vegetables at local farmers' market sites and roadside stands. Eligible recipients also receive cash value vouchers which can be also be used to purchase fruits and vegetable at local farmers' markets, roadside stands, and WIC authorized retail stores.

The Guam WIC Farmers' Market Nutrition Program (FMNP) is a program administered by the Department of Public Health and Social Services. The program has two purposes for implementation:

1. **To provide fresh, nutritious, unprepared foods, fruits and vegetables from farmers' markets to women and children (up to 5 years old) who are nutritionally at risk; and**

2. **To expand the awareness and use of farmers' markets, as well as increase sales at such markets.**

What is a Cash Value Voucher (CVV)?

A Cash Value Voucher (CVV) is a fixed-dollar, voucher issued to women who are pregnant, postpartum or breastfeeding and children ages 1 year up to 5 years of age, to obtain authorized fruits and vegetables.

What are the differences between a CVV and a FMNP coupon?

The differences between a CVV voucher and a FMNP coupon are that CVVs are fixed-amount, vouchers issued monthly to qualified WIC participants. FMNP benefits are $20.00 coupons also issued to qualified WIC participants, however, only during the FMNP season from April through September of each year.

Federal Background:

In 1988, Congress authorized a three-year demonstration project to test the concept in ten states. The success of the demonstration project led Congress to enact the WIC Farmers' Market Nutrition Act of July 2, 1992 (P.L.102-34), thereby establishing the WIC FMNP as a food assistance program of the United States Department of Agriculture (USDA).

Local Background:

In November 1998, the Department of Public Health and Social Services, Guam WIC Program, applied for funding by submitting to the United States Department of Agriculture (USDA), Guam State Plan of Operations for the WIC Farmers' Market Nutrition Program. On January 29, 1999, USDA approved Guam's State Plan. However, funding was not approved until April 21, 1999.

II. HOW DOES THE GUAM WIC FMNP WORK

The Guam WIC FMNP provides over 7,000 plus women and Children (1 up to 5 years old) who are participants in the WIC Program with FMNP coupons valued at $20.00. The FMNP coupons may only be used to purchase fresh, nutritious, unprepared fruits and vegetables directly from an authorized farmer of the WIC FMNP. Recipients also receive a FMNP recipient packet that contains nutrition education materials, schedule, time, location of Farmers' Markets, and list of names of authorized farmers with their WIC FMNP identification numbers.

c) Accepting FMNP coupons/CVVs for non-food items or for any purchase other than eligible foods.

d) Accepting FMNP coupons/CVVs or indicating willingness to accept FMNP coupons/CVVs by posting FMNP signs at any site that is not authorized to accept FMNP coupons/CVVs.

e) Accepting FMNP coupons/CVVs after the expiration date.

f) Participating in the FMNP coupon program while selling only fruits or vegetables grown by someone else.

g) Charging higher prices for FMNP coupon/CVV sales than for cash sales.

h) Discriminating against FMNP coupon/CVV recipients base on race, color, national origin, sex, age or disability.

i) Continuing to participate in the FMNP coupon program during a period of suspension or disqualification, including acceptance or evidence of intent to accept FMNP coupons/CVVs.

Class II violations will result in suspension and possible disqualification from the FMNP. Certain abuses may constitute a criminal offense subject the vendor to prosecution under applicable state or federal laws.

f) Abusive treatment of FMNP coupon recipients, program monitors or staff, or individuals associated with the FMNP.

g) Failure to sell produce at the Farmers' Market on the fixed schedule of days and hours of operation for a minimum of five months.

h) Violation of any other FMNP rule or regulation that is not specified in this section as being either a Class I or Class II violation.

Class I violations will result in a verbal warning from the Guam WIC FMNP to the violating farmer and will be documented in the State Agency's file for that farmer. The farmer will be invited to explain or question the violation. The response and/or any corrective actions taken will also be recorded. The second substantiated instance of a Class I violation during the period of FMNP operations will constitute a suspension of FMNP operations for the duration of the agreement not to exceed three months.

Class II violations, not necessarily in any priority order, are as follows:

a) Giving FMNP coupon or Cash Value Voucher (CVV) shoppers cash change where the value of the shoppers' purchase is less than the value of the FMNP coupon/CVV presented.

b) Cashing FMNP coupons/CVVs for customers or cashing FMNP coupons/CVVs obtained from any unauthorized source, including FMNP coupons/CVVs accepted by an unauthorized, suspended or disqualified farmer at the market.

Farmers are selected and authorized by the WIC FMNP section. If they meet the criteria to become an authorized farmer, they are notified via telephone or letter of their selection and non-selection status. If selected, then instructions to be an authorized farmer are given to them.

When will FMNP coupons/CVVs be issued and how long may they be used?

	FMNP Coupons	CVVs
Issue Date	Issued to the WIC clients from 4/1/2016 to 9/10/2016	Issued to WIC clients monthly
Valid Date	Redeemable from 4/1/2016 to 9/15/2016	3-month issuance - Valid period is between the " First Date To Use" and Last Date To Use" dates
Deposit Date	4/1/2016 to 9/30/2016	Within 60 calendar days from the "First Date To Use" date

How do the farmers cash the FMNP coupons/CVVs?

Farmers may cash their coupons/CVVs just as they would a personal check. Farmers only need to deposit the coupons/ CVVs into their personal or business account. Before the farmer deposits the coupons/ CVVs in their bank, they must stamp the coupons/CVVs with their assigned FMNP. The farmer must deposit the coupons within 15 calendar days from the "Last Date To Use" date. CVVs must be deposited within 60 calendar days from the "First Date To Use" date.

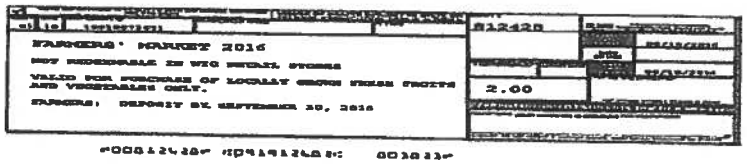
Sample of Guam WIC FMNP Coupon



Where will the Farmers' Markets be located?

Re: Notice of Non-Selection of Applicant as an Authorized Farmer under the FY 2016 Farmer Participation Agreement with the Special Supplemental Nutrition for Women, Infants, and Children (Guam WIC Program)

This is to inform you of your application to participate as an authorized farmer under the FY'16 Farmer Participation Agreement with the Special Supplemental Nutrition for Women, Infants, and Children (Guam WIC Program). Unfortunately, you are not selected to participate based on the following criteria.

1) Be a resident of Guam; 2) Personally grow fruits and vegetables on property they own or lease on Guam; and 3) Be a bonafide farmer, certified by the Government of Guam, Department of Agriculturet (Ref. Criteria for Individual Farmers, FY 2016 Guam WIC Farmers' Market Nutrition Program application packet).

In regards to the first criteria above your application submission lacks the required documentation of being a resident of Guam; Secondly, you lack documentation of any own or lease property that you personally grown fruits and vegetables on. In the third criteria you lack documentation identifying you as a current bonafide farmer, certified by the Guam Department of Agriculture. Furthermore, it is the Guam WIC Program's determination to not postpone this action. Should you decide to appeal this action, we encourage you to carefully read the following.

Pursuant to U.S. Department of Agriculture (USDA) regulations, 7 CFR Chapter II, Part 248, subsection 248.16, a farmer has the right to appeal when their application to participate is denied, a sanction is imposed, or they are disqualified from participating from the program. Should you desire, you can appeal this action through the Guam WIC FMNP Farmer Appeals, Appeals Procedures. Enclosed are said written procedures. Please note that in case of an adverse action

that is subject to an appeal, the effective date will be no later than 15 calendar days after receipt of the written notification of the adverse action. A written response to the adverse action and request for an appeal must be submitted by the farmer within 15 calendar days after receipt of the written notification of the adverse action. Such response must be addressed and submitted to the following:

Office of the Attorney General
590 South Marine Corp Drive
Suite 704 ITC Building
Tamuning, Guam 96913-3537

Should the Office of the Attorney General render a decision against you and since there is no other review process at our level, you have the right to further pursue this matter through judicial review.

Lastly, we appreciate your interest in becoming an authorized farmer under the Guam WIC Program. The next open enrollment application period for farmer participation will be in the year 2017.

Should you have any questions please direct them to Ms. Renee Camacho-Taitague, FMNP Coordinator, at 475-0292 or Mr. David Gumataotao, FMNP Program Manager, at 475-0300. ***Thank You!***

Can FMNP Coupons and CVVs buy the exact same things?

- FMNP Coupons may be used for fresh, unprocessed, locally grown, vegetables and fruits
- CVVs may be also be used for fresh, unprocessed, locally grown, vegetables and fruits, **except for herbs or spices (except ginger root)**

What's the deal with WHITE potatoes?

- Federal Regulations now allow the purchase of white potatoes through CVVs and FMNP coupons
- Recommended by the Institute of Medicine (IOM) based on amounts suggested by the Dietary Guidelines for Americans for consumption of starchy vegetables
- WIC clients can use CVVs to purchase **sweet potatoes** and/or **yams**. These are not as commonly consumed and are not included in the starchy vegetables category

How it comes together

At the WIC appointment clients receive there regular WIC checks, CVVs and FMNP coupons and a WIC approved food lists, list of approved retail vendors and **FMNP AUTHORIZED FARMERS**

WIC FMNP Authorized Farmer

- WIC participants then go to the approved FMNP authorized farmers to shop
- Marketing is the responsibility of the WIC Farmer
- Good visual presentation of fresh vegetables and fruits is important

How do WIC Participants find WIC Authorized Farmers?

The WIC FMNP Authorized Poster tells the WIC Client that your stand is an authorized WIC Farmer.

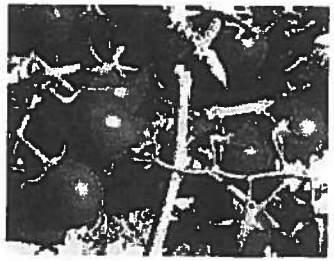
WIC Authorized Farmer

Every WIC FMNP Farmer will have his or her name on the poster

Combining FMNP Coupons and CVVs

- WIC clients are allowed to combine multiple CVVs and FMNP coupons in a single transaction to fully cover the costs of their fruit/vegetable purchase. For example a WIC client can use a $8 and $11 CVV or both CVVs along with a $2 FMNP coupon towards the purchase of local fresh fruits and vegetables. This is referred to as using multiple food instruments in a single transaction.
- If the total price of the purchase exceeds the value of the CVV, the WIC client may pay the difference with Cash, Personal check, SNAP and Debit/Credit card.



Reminder!

- FMNP farmers are prohibited from accepting FMNP coupons and/or CVVs for non-local or resale produce.
- Do not accept FMNP coupons and/or CVVs for something that was not grown by an FMNP approved farmer

The FMNP Coupon and Cash Value Voucher Transaction Process

WIC I.D. Cards

WIC client gives farmer their WIC ID card (or Proxy I.D. card) and coupons/CVVs for verification.

- An Authorized Representative should be listed on the WIC I.D. card. Generally, it is the authorized representative that will be listed on the FMNP coupon/CVV. The name is in the "Participant Name" box in both the FMNP coupon and CVV.
- A proxy is an individual who is temporarily authorized to pick up WIC foods for the authorized representative (WIC client)

Farmers are reminded to check the coupons/CVVs to be sure that they are from the Guam WIC Program.

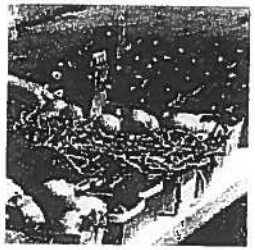
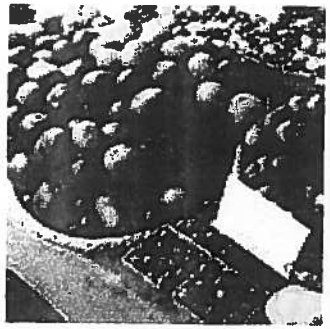
Note

- If the purchase price exceeds the maximum value on the FMNP coupon and/or CVV, and the farmer is willing, he/she may accept just the coupon and/or CVV and not charge the WIC client the extra amount. This is at the discretion of the farmer.



Caution!



- Do NOT add sales tax to the price of fruits and vegetables
- Do NOT charge WIC clients a higher price than the price charged to other customers
- Do NOT charge the maximum value of the Cash Value Voucher (CVV) if the WIC client doesn't fully redeem, only actual purchase amount
- **DO** write in the lesser amount on the CVV
- Do NOT give cash back if the WIC client purchases less than the maximum amount of the FMNP Coupon/CVV.
- Do NOT overcharge the WIC client and the WIC Program by writing in the maximum value if a lesser amount of produce was purchased

Pre-signed FMNP Coupon and Cash Value Voucher

- During the transaction should a WIC client **pre-sign** the FMNP coupon/cash value voucher, inform the client to provide a second signed and valid photo identification (i.e. Guam I.D., Driver's License, Military I.D., Pass port, etc.) for verification
- Once an Identification has been provided, proceed with the transaction
- If no additional Identification is provided then inform the WIC client that the transaction cannot proceed and release the coupon/CVV back to the client

Lost or Stolen FMNP Coupons and Cash Value Vouchers

- The WIC Program will inform authorized farmers of WIC FMNP coupons and/or CVVs that have been reported stolen through email, fax, or other communications once the information is received
- Farmers who notice any of the FMNP coupons and/or CVVs being offered for a purchase should politely inform the shopper that: "According to the WIC FMNP office, this CVV and/or FMNP coupon is no longer valid and cannot be accepted." The farmer should also advise the participant to contact the program coordinator or the WIC clinic site where they received the FMNP coupons and/or CVVs. This should be done with discretion because the WIC client may not be aware that there is any problem with spending the FMNP coupons and/or CVVs.

Lost WIC I.D. Card

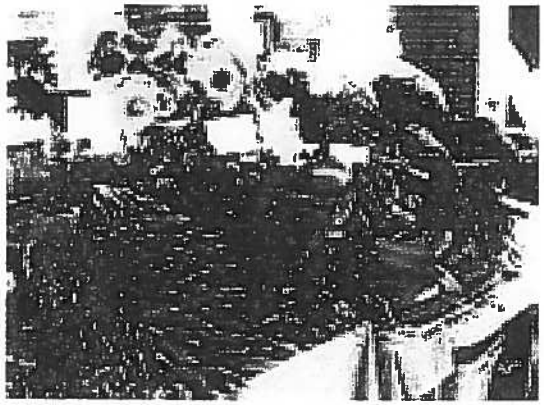
- If a farmer should find a WIC client's lost WIC I.D. card, WIC proxy I.D. card, or FMNP coupons/CVVs within their premises, they should take hold of them, place them in a secure place (such as locked drawer), and immediately contact the WIC FMNP Coordinator or Manager at 475-0292/0300
- The lost and found WIC items will be picked up by a WIC Program staff

Lost WIC I.D. Card (cont'd)

- However, should a WIC client or proxy contact the farmer about the lost items and the items are still within the farmer's premises, have the client provide a signed and valid photo identification (i.e. Guam I.D., Driver's License, Military I.D., etc.) for verification before releasing the lost items. Otherwise, if the items are not within the farmer's premises or that they have already been returned to the WIC office then inform the client or proxy that they must contact the WIC Program office about the lost items.

What if the signature doesn't match?

- If the signature doesn't appear to match, you may verify their signature by asking for another form of identification (i.e. Guam Drivers License, Passport, Military ID) and verify their signature.



Hint for smooth operations! Just make sure you.....

- Adhere to the FMNP Farmers contract rules and regulations which includes the prohibition of sale of non-local fruits and vegetables and of resale produce.
- Do not accept CVVs for herbs/spices.
- Separate the produce before you total the purchase.
- Do not accept FMNP coupons for fruits, vegetables that you or another FMNP farmer did not grow.
- Do NOT give cash back for FMNP coupon/CVV purchases!

Farmer ID Stamp

- Generally every WIC-authorized farmer is issued a 4 digit I.D. (i.e. 9201) stamp prior to the start of FMNP season.
- Farmers should secure their stamps as with other WIC property in a safe, secure location
- Farmers must ensure that when stamping FMNP coupons/CVVs that the impression is clear and within the designated box on the coupon/CVV.
- Farmers are required to return their I.D. stamps to the WIC office after the FMNP season is over.

Depositing FMNP Coupons and CVVs

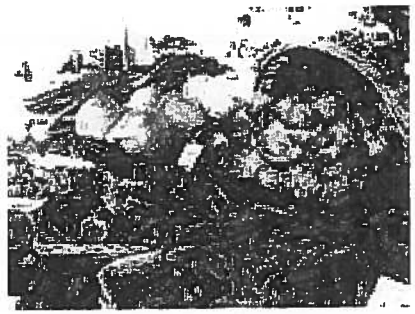
- FMNP coupons/CVVs have a relatively short window for deposit
- FMNP coupons must be deposited for payment within 15 calendar days after the "Last Date To Use" date
- CVVs must be deposited within than 60 calendar days from the "First Date to Use" date (which is almost always 30 calendar days from the Last Date to Use, which may be easier to remember)

Keep in mind that should coupons and CVVs be returned/unpaid they result in bank fees to farmers as well as to the WIC Program. *Make sure to review your coupons/CVVs before making a deposit to your bank!*

If you have questions, call the FMNP Coordinator or Manager before depositing. We want to prevent returned/unpaid coupons/CVVs and the incurrence of bank fees.

Before depositing FMNP Coupons and CVVs, make sure:

* "Date of Use" date has been entered
* WIC client or Proxy has signed
* Actual amount is written in and does not exceed maximum amount
* Date, purchase amount, and signature written on the coupon/CVV is in blue or black ink
* For FMNP coupons, farmers must deposit their coupons within 15 calendar days after the "Last Date To Use" date
* For CVVs, the date of deposit is within 60 calendar days after the "First Date To Use" date
* Farmer I.D. number is clearly stamped in "pay to the order of" box.
* Other discrepancies i.e. account/routing numbers are on the bottom of the check, account/routing number should be all numerical and no letters, etc.



Causes for Returned/Unpaid FMNP Coupons/CVVs

* Date of Use not entered
* Date of Use not within valid timeframes (early deposit or expired date)
* No actual amount entered
* Actual amount entered exceeds maximum amount
* No participant signature
* WIC Farmer ID stamp not entered or not clearly entered
* CVVs are deposited within 60 calendar days from the "First Date To Use" date
* FMNP coupons are deposited within 15 calendar days after the "Last Date To Use" date

Returned/Unpaid FMNP Coupons/CVVs

* The WIC Program provides the farmer with an opportunity to justify or correct errors or overcharges in FMNP coupons and cash value vouchers that are returned and unpaid from our off-island bank Solutran.

* The following are the procedures to request for returned and unpaid coupons/CVV to be reviewed and reconsidered for payment:
  - Submit a written request to the WIC Program FMNP office for the coupon/CVV to be reviewed and reconsidered for payment, and provide the justification or correction of the errors.

Returned/Unpaid FMNP Coupons/CVVs (cont'd)

* Submit returned/unpaid coupons/CVVs with the written request. (See form letter in the following slide)

* The written request must be received by the WIC Program within ninety (90) days of the "First Date To Use" date indicated on coupon/CVV or risk loss of payment for the value of the coupon/CVV.

* The WIC Program will respond in writing on the farmer's request. If the Program is satisfied with the justification and/or correction of the error on the coupon/CVV, the Program will grant approval for the redeposit and payment of the coupon/CVV by entering a statement, amount, and signature of approval on each coupon/CVV.
