WE WANT YOU!

JOB ANNOUNCEMENT

The Division of Environmental Health of the Department of Public Health and Social Services is seeking bright and motivated individuals interested in making our island a healthful and safer place to live. If interested, we encourage you to apply to fill our two vacant, full-time positions in the division.

ENGINEER I

- Announcement number: DOA #52-09
- Salary: \$26,520 - \$56,114
- Performs common engineering duties and inspects health regulated facilities to ensure compliance, investigates environmental health violations, assesses structures and operation to determine potential health hazards; and enforces various environmental health laws and regulations.

ENVIRONMENTAL HEALTH SPECIALIST III

- Announcement number: DOA #35-08
- Salary: \$28,678 - \$60,681
- Performs complex professional work in the field of environmental health to include the management of various programs to protect the public from hazards associated with unsafe consumer commodities, unsanitary facilities, radiological devices, and animals and insects.

Benefits include medical, dental, and life insurance; sick and annual leave; holiday pay; and retirement plan. To get more information, and qualification requirements, please contact the Recruitment Branch of the Department of Administration at 475-1141, or view the job specifications at:
